COURSE DESCRIPTION: O. Henry Middle School Choir is open to all students who are interested in singing and performing. Four basic strands- *preconception, creative expression/performance, historical and cultural heritage, and critical evaluation*- provide broad, unifying structures for organizing the knowledge and skills of choir students. During the year, the choir members will be exposed to a variety of music styles from Pop, Rock, Jazz, and Classical, and students will gain skill in sight singing, proper vocal technique, and music theory. Term marks are based on singing samples, class work, and concert performances.

Students will perform at concerts, school functions, and community events. Performances are co-curricular and participation is required. Students will compete for awards during the school year and must maintain a grade point average of 70% in every class to remain eligible for competition.
