

## **Formal Uniform**

### **Midi Skirt**

Each girl will provide her own skirt.

There is no need to buy an expensive skirt for this uniform. These are the requirements for the skirt:

1. It should be solid black with no trim of any other color or highlighted with sequence or sparkle.
2. It should be long enough to cover the knee but short enough not to cover the ankle.
3. The skirt must not be tight. Singing is physical and the girls must have a skirt that allows deep breathing.
4. The skirt should be single layered.
5. The skirt should be flattering to the girl's figure. Many girls feel they look good in a pencil skirt, when an A line is more flattering.
6. Skirts must not be wrinkled in any way. They must be brought to school on a hanger with the students name on the hanger.
7. The skirt may be any kind like the following:
  - a. Gathered at the waist
  - b. Zipped up
  - c. Pleated
  - d. A line
  - e. Pencil
  - f. Flared
8. Please make the dress as simple as possible, without:
  - a. Bows
  - b. Large buttons
  - c. Belts
  - d. Ruffles
  - e. Fringe
  - f. Extra sheer material
9. The skirt should not be:
  - a. Denim
  - b. Asymmetrical

\*\*I have looked on line for "simple black midi skirts" and have found some that are very inexpensive. However, you have to read the customer reviews. I ordered an X-Large petticoat for my niece but it was about a size 2. On the other hand, I have ordered beautiful dresses and have loved them. I also suggest looking at thrift stores.

I hope this helps.

### **The Blouse**

The school will provide the blouse for the uniform. The blouse will never to go home, it will stay at school. Please wear a proper bra. Not a sports bra or a bra that can be seen under a tank top.

Thank you so much!
